

0-3 Child Profile

Dear Families,

This information helps our educators understand your child and support their individual routine, interests, and development. The details you share assist us to plan meaningful experiences and provide consistent, responsive care.

This profile can be updated at any time. Please speak with your child's educator or the Nominated Supervisor if anything changes. We will also regularly check in with you throughout your child's enrolment to learn about new interests, routines, and family experiences. The more we know, the better we can support your child.
